

PGE 10'x15.5'x8'

If you purchased your own pipes:

1. Cut pipes to lengths shown. (Use 2" Electric Metallic Tube (EMT) Trade size 2", Actual OD 2.197")
2. Assemble frame according to diagram above. For each fitting, insert each pipe all the way.

If you purchased pipes from Carl's Place:

Each pipe is marked A, B, or C. Assemble the frame according to the diagram, making sure to insert each pipe all the way into each fitting.
